**GLENWOOD SYSTEMS LLC'S GLACEEMR, VERSION 4.5 RECEIVES ONC-
ATCB 2011/2012 CERTIFICATION**

December 21, 2010 – [Glenwood Systems LLC](http://www.glenwoodsolutions.com) announced today that [GlanceEMR version 4.5](#), is 2011/2012 compliant and was certified as a Complete EHR on December 15, 2010 by the Certification Commission for Health Information Technology (CCHIT®), an ONC-ATCB, in accordance with the applicable ELIGIBLE PROVIDER certification criteria adopted by the Secretary of Health and Human Services. The 2011/2012 criteria support the Stage 1 meaningful use measures required to qualify eligible providers and hospitals for funding under the American Recovery and Reinvestment Act (ARRA).

“Glenwood Systems works hard to produce products that meet certifications required in the marketplace, said Nat Loganathan Founder and Owner Glenwood Systems LLC, Our goal is to provide our clients with the tools that they need drive efficiencies and profits in their office.”

The ONC-ATCB 2011/2012 certification program tests and certifies that Complete EHRs meet all of the 2011/2012 criteria and EHR Modules meet one or more – but not all – of the criteria approved by the Secretary of Health and Human Services (HHS) for either eligible provider or hospital technology.

“CCHIT is pleased to be testing and certifying products so that companies are now able to offer these products to providers who wish to purchase and implement certified EHR technology and achieve meaningful use in time for the 2011-2012 incentives,” said Karen M. Bell, M.D., M.S.S., Chair, CCHIT.

GlanceEMR, Version 4.5, by Glenwood Systems LLC's certification number is CC-1112-347100-1. ONC-ATCB 2011/2012 certification conferred by CCHIT does not represent an endorsement of the certified EHR technology by the U.S. Department of Health and Human Services nor does it guarantee the receipt of incentive payments.

GlaceEMR, Version 4.5, meets the Complete EHR certification criteria as an integrated bundle of EHR modular products. The products which make up the Complete EHR include: NQF 0421, NQF 0013, NQF 0028, NQF 0041, NQF 0024, NQF 0038, NQF 0059, NQF 0064, and NQF 0061.

The additional software **GlaceEMR, Version 4.5** relied upon to demonstrate compliance includes:

SureScripts, Multum Lexi-Data, Java SE 6.0 Security-SHA-512, Java SE 6.0 Security – AES and Adobe SVG Viewer OR Compatible SVG Viewer Browser Plug-In.

GlaceEMR v4.5 is also certified in CCHIT's separate and independently developed certification program. GlaceEMR v4.5 is a CCHIT Certified® 2011 Ambulatory EHR. Glenwood Systems LLC has certified its EHR technology in both programs to provide greater assurance to its customers.

About CCHIT

The Certification Commission for Health Information Technology (CCHIT®) is an independent, 501(c)3 nonprofit organization with the public mission of accelerating the adoption of robust, interoperable health information technology. The Commission has been certifying electronic health record technology since 2006 and is approved by the Office of the National Coordinator for Health Information Technology (ONC) of the U.S. Department of Health and Human Services (HHS) as an Authorized Testing and Certification Body

(ONC-ATCB). More information on CCHIT, CCHIT Certified® products and ONC-ATCB certified electronic health record technology is available at <http://cchit.org>.

About ONC-ATCB 2011/2012 certification

The ONC-ATCB 2011/2012 certification program tests and certifies that EHR technology is capable of meeting the 2011/2012 criteria approved by the Secretary of Health and Human Services (HHS). The certifications include Complete EHRs, which meet all of the 2011/2012 criteria for either eligible provider or hospital technology and EHR Modules, which meet one or more – but not all – of the criteria. ONC-ATCB certification aligns with [Health Information Technology: Initial Set of Standards, Implementation Specifications, and Certification Criteria for Electronic Health Record Technology](#) published in the Federal Register in July 2010 and strictly adheres to the [test procedures](#) published by the National Institute of Standards and Technology (NIST) at the time of testing. ONC-ATCB 2011/2012 certification conferred by the Certification Commission for Health Information Technology (CCHIT®) does not represent an endorsement of the certified EHR technology by the U.S. Department of Health and Human Services nor does it guarantee the receipt of incentive payments.
