## **Glenwood Announces Electronic Prescription for Controlled Substances (EPCS) Certification**

### **GlanceEMR v4.5 certified to allow physicians to electronically prescribe Schedule II through V Controlled Substances.**

**Waterbury, CT - January 14, 2013** - [Glenwood Systems](http://www.glenwoodsystems.com) announced today EPCS certification from Surescripts. This certification enables a provider using GlanceEMR v4.5 the ability to electronically prescribe and refill controlled substances as allowed by individual state laws via GlanceEMR and the Surescripts network.

“We are proud to be one of only five EMR products EPCS certified listed on the Surescripts site,” said Nat Loganathan, President and Founder of Glenwood Systems. “This investment and achievement illustrates Glenwood’s commitment to keep our software at the forefront of market requirements for our customers.”
