Glenwood Places Client Services Executive in Florida

Glenwood Systems expands in Florida with Practice Management / Revenue Cycle Management Expertise

Waterbury, CT – February 7, 2013 - [Glenwood Systems](http://www.glenwoodsystems.com) announced today that Pamela DiBenardo, CMOM has joined the Glenwood Team to provide additional client resource and build the Glenwood Client base in Florida.

Pamela DiBenardo comes to Glenwood Systems as the Florida Regional Client Service Executive with more than 10 years of practice management experience. Pam has a broad background successfully managing the key metrics necessary to profitably grow an ambulatory medical practice. Pam has significant experience in the following areas

- Practice setup and design
- Administrative office procedure set up for multiple specialties including; Breast Care, OB/GYN and Gastroenterology
- Medical Billing and Revenue Cycle Management achieving a low AR position of < .9% over 90 days
- Specialty marketing to referring physicians

Pam is a Certified Medical Office Manager (CMOM), Certified Medical Coder, earned her B.A. Business from Stony Brook University and has a certificate in Medical Administration.

“We are thrilled that Pam has decided to join the Glenwood Team, said Ron Flormann CCO, Our goal is to consistently provide our clients with the resources and experience necessary to improve their practice revenue results. Pam’s extensive experience as a medical biller and successful Practice Manager in several specialties will be a strong advantage to our clients.”
